## **Welcome to the 35th. Zehlendorf Pentecost Tournament**

### **A word of greeting from BG Zehlendorf**

Dear friends of basketball,

A very warm welcome to the 35th edition of our Zehlendorf Pentecost Tournament. For those who perceived the development of this tournament in recent years might have noticed the steady and consequent enhancement process. We have not only renewed the online registration system, but also this year we are launching a completely revised online tournament schedule. In this context, we have focused on purposeful design and operability for mobile devices.

Besides schedule and design issues, for the game operations some essential topics are to be mentioned:

- We are welcoming 190 teams – more than the year before.
- For the first time, we will host a girls u12 class.
- For the U12 competitions, we focused on increasing the number of games, so every team will have at least 7 matches.
- This year, each participating referee will be issued a special Tournament-Ref-Shirt.
- Unfortunately, due to a lack of registered teams we cannot offer either a 3x3 or a mixed competition for seniors. We would very much appreciate if participants in view of the 2020 tournament could make friends and club-mates aware of these options, so that we might be in the position to offer these attractive game classes.

Last but not least, I make an appeal to everybody to behave adequately during the tournament, especially within accommodations, gyms, and schools' premises. Please notice corresponding instructions in the brochure or on our homepage. We hope that last year's problems concerning late night noise and increasing garbage volumes can be avoided this time. For this purpose, I ask everybody for support to experience a tournament free of frictions and unnecessary stress.

I would like to close with an outlook on 2020: We have repeatedly been asked to get the opportunity to register for the follow-up tournament during the games or afterwards. So now for the first time, these follow-up registrations are possible. Please make use of this option.

So I am looking forward for fair and exciting games, good weather, social gatherings, and I wish you all a good time in Zehlendorf.

Marcus Gehrmann (Tournament Director)

### **A word of greeting from Joey Ney**

(Former easyCredit BBL-player with ALBA Berlin)

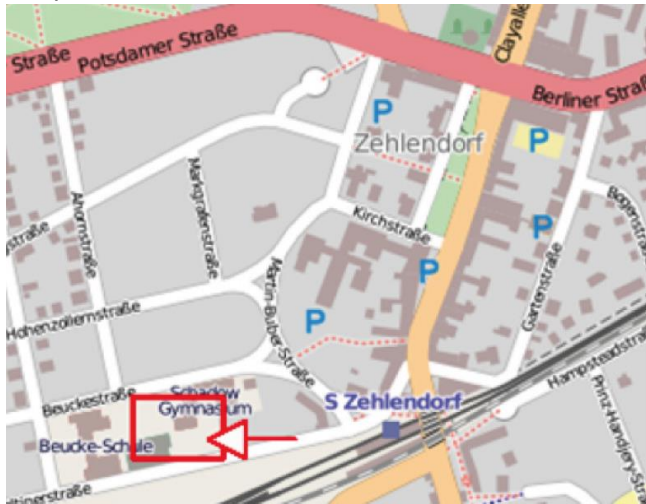

„Quite regularly, I take part in the tournament. Every time I experience a lot of and a good atmosphere with a high-level basketball performance. Much respect for the Orga-Team, who year-by-year is doing a super job, developing the tournament further continuously. I like to wish every participant to have much fun at the tournament – and see you at the gym!

### About us

#### Tournament office

You will find the tournament office in the **Schadow School**, near Zehlendorf S-Bahn station. Please note that you can only reach the office by foot via Anhaltinerstraße.

Address: **Anhaltinerstraße 9  
14163 Berlin**  
Telephone: **+49 174 820 41 51**

The tournament office is the main source of information. It can answer all your questions. It is where all teams and referees are required to check in when they arrive.

#### Opening times:

Friday: **7:15 pm – 2:00 am**  
Saturday: **7:15 am – midnight**  
Sunday: **7:15 am – midnight**  
Monday: **7:15 am – 3:00 pm**

For all information and updates visit our new website: [www.pfingstturnier.bgz.net](http://www.pfingstturnier.bgz.net) or facebook: [www.facebook.com/ZehlendorferPfingstturnier](https://www.facebook.com/ZehlendorferPfingstturnier).

Because Friday is a normal school day, the tournament office will open around 5:00 pm. Please do not arrive before that and disrupt the school day routines.

**Important:** The school is situated in a residential neighborhood. This means **access by coach / bus is not possible** as there is **no space for a large coach to turn around**. Coaches should park on Potsdamer Straße (B1), only a few minutes' walk from the tournament office. Please pass this information on to

your coach driver. A bus that gets stuck holds everything up!

- And more than 60 referees from all over Europe directing the tournament matches.

## Important information

### General rules

#### Smoking, alcohol & grilling

in sports gyms and accommodation are strictly forbidden. Breaking these rules could lead to a team being excluded from the tournament and / or losing its deposit. We do not want to jeopardize local support for next year's tournament.

#### Noise und breaches of the peace

Noise and nighttime disturbances are to be avoided at all costs. Local residents want to enjoy their long Pentecost weekend. Let's not ruin it with undue noise.

#### Photo- & Video-Takes

BG Zehlendorf is intending to record Photo- and Video-Takes during the tournament due to justified interests. These records are going to be published on BG Zehlendorf homepage, on Facebook and for marketing purposes for follow-up events on selected media e. g. basketball magazines and in social media as Facebook etc.

#### Lost property

Lost property can be given to the person in charge of the sports gym or entrusted to the tournament office. All lost items must be claimed from the tournament office.

#### Insurance

Please note the tournament's organizers do not insure participants for any damage to persons or property.

#### Accommodation – important rules

Steglitz-Zehlendorf local council has once again kindly allowed us to use several schools and sports gyms as sleeping accommodation and as sporting venues. Only respectful and proper use of these facilities will give us the chance to use them – and in consequence put on the Pentecost Tournament – again next year.

### Guest Card required

Only participants in possession of Guest Card A or Guest Card B are allowed into accommodation facilities. Participants are required to carry their Guest Cards with them. The tournament organizers will carry out spot checks and reserve the right to sanction people picked up in accommodation without a Guest Card.

### Deposit (accommodation) for each team with guest tickets

Each team with Guest Cards is required to pay an additional deposit of 50 Euro to the tournament office upon arrival. All sleeping quarters have to be cleaned and vacated by 10:00 am on Monday. Before a team finally gives up its accommodation, tournament staff will check if it is in good shape. If this is the case, staff will check the deposit-receipt and return the deposit.

The deposit will not be redeemed in the tournament office, but from the custodian or staff at the accommodation.

### Cleanliness and cleaning sleeping quarters

All participants are obliged to keep their sleeping accommodation clean. Cleaning implements and bin bags can be requested from tournament staff.

### Food and drink

Drinking alcohol and eating meals in the sports gyms or accommodation facilities is strictly prohibited. Grilling is also not allowed on any school premises.

### Avoiding noise and breaches of the peace

We expect participants to behave reasonably, both at tournament venues and in public. Please note that between 10:00 pm and 6:00 am German law requires everyone to refrain from making loud noises. The population of Zehlendorf wants to enjoy its Pentecost break without noisy intrusions from the tournament.

### **Breaking the rules**

A member of the tournament staff is on duty in each sleeping quarter around the clock. Their directions have to be followed without fail at all times.

In recent years we have received an increasing number of complaints from the schools we use. Given this, we wish to point out that anyone who breaches any of the above rules will see his or her entire team EXCLUDED from the tournament IMMEDIATELY and possibly also lose its deposit (accommodation) of 50 Euro.

### **Shuttle service**

BG Zehlendorf offers participants a shuttle service. Its minibuses regularly shuttle between the sports gyms, the canteen and the tournament office. The minibuses carry a big sign on their windscreens. All participants ride free of charge. Please note that all drivers have to obey road-safety rules and can as a result take a maximum of 8 passengers.

#### **Shuttle buses are on the go on:**

Saturday	from 07:15 am – 10:30 pm
Sunday	from 07:15 am – 10:30 pm
Monday	from 07:15 am – 03:00 pm

### **Cafeteria (JFK M)**

All meals will be served in the cafeteria of the John F. Kennedy School upon presentation of Guest Card A at the times indicated. The cafeteria is located near the QA-QD arcades. It is marked with the letter M in the tournament city map and can only be reached via the separate entrance on Teltower Damm. The direct way from the halls QA-QD to the cafeteria is not possible!

#### **Opening hours:**

Breakfast: 07:00 am - 09:15 am (Sat-Mon)  
Lunch: 12:00 pm - 02:15 pm (Sat-Mon)  
Dinner: 05:30 pm - 07:45 pm (Sat & Sun)

### **Snack-Bar (JFK Q)**

There will be a snack bar at the JFK (Q), where you can buy grilled meat, burgers, soft drinks, sweet snacks, coffee, tea, cake and ice cream.

#### **Opening hours:**

Saturday & Sunday from 8:00 am until 6:00 pm  
Monday from 8:00 am until 3:00 pm

### **Coaches Pub (Schadow L)**

The Coaches Pub has again this year a special permit for a grill (weather dependent), which will be on Friday and on Saturday and Sunday from 07:00 pm till about midnight in operation. We ask you to refrain from eating food and drinks in the Coaches Pub.

#### **Opening hours:**

Friday: 05:00 pm till open end  
Saturday & Sunday: 07:00 am till open end  
Monday: 06:30 am till 11:00 am

## Playing in the tournament

### Score- and timekeepers (official table)

Participating teams have to provide score- and timekeepers (official table) for the matches designated in the fixtures list. These are usually games right before or right after that team's own game. The schedule for score- and timekeeper (official table) can also be viewed online at [schedule.bgz.net](http://schedule.bgz.net) or in the tournament office. Each team is always required to nominate two people – one score- and one timekeeper.

### Team lists

The names of each team member must be declared on the requisite match documentation 15 minutes before the game at the latest. Pre-prepared team lists can also be submitted to tournament officials in charge of the sports gym up to 15 minutes before the match. Blank forms can be picked up in the tournament office or from tournament officials in each sports gym.

## Rules of the game

Official FIBA rules apply, with the following exceptions:

- a) Playing time is 2 x 15 continuous minutes. Only the last three minutes of the second half are clocked and, during the last two minutes, the clock is also stopped after a basket is scored. The half-time break is two minutes, there is one time-out (one minute) per team per half.
- b) A player who fouls for a fourth time in a game cannot play any longer in that game. After a team gets eight fouls in one half, further fouls are penalized with two free throws.
- c) There is no guarantee for a warm-up period and balls will not be provided for it. If both teams have shirts of the same color, the team named first in the schedule will have to change.
- d) Except for finals in each age group, possessions are not timed to 24 seconds. If obvious violations of the 24-second rule occur, the referee may announce by calling "15" or "20" that he or she will interrupt the game after another 9 or 4 seconds.
- e) Substitutions are carried out without interrupting the game. The incoming player may only enter the court when and where the outgoing player has completely left it. Violations will result in a technical foul being given to the incoming player.
- f) Tied games in the group and placement rounds will be decided by "sudden death" in extra time. All tied games in the final rounds will be determined by which team is ahead after two minutes of extra time.
- g) If two or more teams end up equal on points, the rules of the German Basketball Association („DBB-Spielordnung“) will apply.
- h) Teams have to be on court and ready to play at the scheduled time. Teams that are late or do not turn up will lose the game. There is no grace period. The start of games will not be delayed.
- i) If a team ends a game early and on purpose, or if one of its players turns out to be too old for the team's age group, it will be excluded from the tournament.
- j) A player may only be used in one team per play group. In case of violation, loss of game and retention of the deposit.
- k) Protests must be declared directly to the referee of a game immediately after the reason for the protest has arisen. An explanation in writing must be submitted to the tournament office within one hour after the end of the game. The processing fee is 50 Euro, which will only be paid back if the protest is successful. Beyond this, FIBA rules about protest proceedings apply. The German version of the FIBA rulebook applies.
- l) For all u12-, u14-, and u16 games, man-to-man defense starting from midcourt is compulsory. For further, please see information below.
- m) All female teams and the boys u14 will play with size 6 balls. U12 teams will play with size 5 balls. All other men's teams will play with size 7 balls, in accordance with FIBA rules. If both teams in a match agree, these rules can be ignored.
- n) In each game, a maximum of 12 players may participate for each team.
- o) Senior male teams, having female players on their list, have to give notice on this issue to the tournament office before the start. Within the first phase of the tournament, these teams will be handled "out of competition", i. e. is set as last team in the group. After that, the team is going to compete regularly. Female players must not be blocked by opposing male players - violations are judged as fouls.

### **Criteria for man-to-man defense**

The following criteria are applicable:

- a) The player in possession of the ball must be guarded closely, at a distance of one arm's length at the most.
- b) The defending players on the ball side are not allowed to sag (deny defense).
- c) Only the player in possession of the ball may be double teamed.
- d) Defending players on the weak side are only allowed to sag up to the imaginary basket-basket line.

The referees enforce teams' adherence to these rules of defense:

- a) A team's first violation of these rules will be rebuked by a referee rightaway, as long as the offense does not lose an advantage, followed by a formal warning that each additional violation will be followed by a technical foul. Afterwards the game continues with the team in possession that had the ball before the call.
- b) A team's second violation will be followed by a technical foul against the team. The foul will be marked with the letter "V" and noted in the coach's column of the game transcript. Technical fouls due to violations of the defense rules are not counted in the event of disqualifications under article 47.1.2.
