Welcome to the 37th Zehlendorf Pentecost Tournament

Greetings from BG Zehlendorf

Dear basketball friends,

we are very happy to welcome you to the 37th International Pentecost Tournament! Since last year some things were a bit uncertain in the planning and challenging in the implementation due to the break of two years and some necessary organizational changes, we are now happy about more consistency.

As a result of our participant survey and also as a relatively successful participant in various senior championships, we had planned to offer divisions for over 35 for the first time this year; however, these divisions will not take place due to lack of registrations. All the more, we are pleased that we will have 216 teams this year, more participants than we have had in a long time. This is also true for the referees, more than 80 referees are also a new record.

This year, the former Coaches Pub will have a new look and will be now called Players' Lounge and will offer a revised range of food and drinks and various events - we hope for numerous visitors and that this offer will find your interest. As well as the tournament office and the mensa, you will find them at the same location as last year and of course our popular shuttles will be there for you again. Please note, however, that they do not have a fixed timetable or can act as a cab - so please always plan enough time and an alternative.

Otherwise, we ask all participants, as every year, to behave appropriately on the tournament grounds (especially in all accommodations & gyms or all school grounds). Please also read the relevant passages in this brochure and on our tournament homepage.

We are looking forward to exciting sports, a fair and social get-together, and hopefully also good weather and wish you all a great tournament and a lot of fun here in Zehlendorf!

About us

Tournament office

This year, you will find the tournament office in the **Peter-Lenné-Schule**.

Address: **Hartmannsweilerweg 29**
14163 Berlin
 Telephone: **+49 178 163 26 60**

The tournament office is the main source of information. It can answer all your questions. It is where all teams and referees are required to check in when they arrive.

Opening times:

Friday: **5:00 pm – 2:00 am**
 Saturday: **7:00 am – midnight**
 Sunday: **7:00 am – midnight**
 Monday: **7:00 am – 3:00 pm**

For all information and updates visit our new website: www.pfingstturnier.bgz.net or facebook: www.facebook.com/ZehlendorferPfingstturnier.

Because Friday is a normal school day, the tournament office will open around 5:00 pm. Please do not arrive before that and disrupt the school day routines.

Important: The school is situated in a residential neighborhood. This means **access by bus is not possible** as there is **no space for a large bus to turn around**. Buses should park on Sven-Hedin-Straße or Onkel-Tom-Straße, it's only a few minutes' walk from the tournament office. Please pass this information on to

your bus drivers. A bus that gets stuck holds everything up!

Important information

General rules

Smoking, alcohol & grilling

are strictly forbidden in sports gyms and accommodations. Breaking these rules could lead to a team being excluded from the tournament and / or losing its deposit. We do not want to jeopardize local support for next year's tournament.

Noise and nighttime disturbance

Noise and nighttime disturbances are to be avoided at all costs. Local residents want to enjoy their long Pentecost weekend. Let's not ruin it with undue noise.

Photo- & Video-Takes

BG Zehlendorf is intending to record photo- and video-takes during the tournament due to justified interests. These records are going to be published on the BG Zehlendorf homepage, on Facebook, and for marketing purposes for follow-up events on selected media e. g. basketball magazines and in social media as Facebook etc.

Lost property

Lost property can be given to the person in charge of the sports gym or entrusted to the tournament office. All lost items must be claimed from the tournament office.

Insurance

Please note the tournament's organizers do not insure participants for any damage to persons or property.

Accommodation – important rules

Steglitz-Zehlendorf local council has once again kindly allowed us to use several schools and sports gyms as sleeping accommodation and as sporting venues. Only respectful and proper use of these facilities will give us the chance to use them – and in consequence put on the Pentecost Tournament – again next year.

Guest Card required

Only participants in possession of Guest Card A or Guest Card B are allowed into accommodation facilities. Participants are required to carry their Guest Cards with them. The tournament organizers will carry out spot checks and reserve the right to sanction people picked up in accommodations without a Guest Card.

Deposit (accommodation) for each team with guest tickets

Each team with Guest Cards is required to pay an additional deposit of 50 Euro to the tournament office upon arrival. All sleeping quarters have to be cleaned and vacated by 10:00 am on Monday. Before a team finally gives up its accommodation, tournament staff will check if it is in good shape. If this is the case, staff will check the deposit-receipt and return the deposit.

The deposit will be returned either in the tournament office (only for Peter-Lenné - J) or at the responsible caretaker!

Cleanliness and cleaning of sleeping quarters

All participants are obliged to keep their sleeping accommodation clean. Cleaning implements and bin bags can be requested from tournament staff.

Food and drinks

Drinking alcohol and eating meals in the sports gyms or accommodation facilities are strictly prohibited. Grilling is also not allowed on any school premises.

Avoiding noise and nighttime disturbances

We expect participants to behave reasonably, both at tournament venues and in public. Please note that between 10:00 pm and 6:00 am German law requires everyone to refrain from making loud noises. The population of Zehlendorf wants to enjoy its Pentecost break without noisy intrusions from the tournament.

Breaking the rules

A member of the tournament staff is on duty in each sleeping quarter around the clock. Their directions have to be followed without fail at all times.

In recent years, we have received an increasing number of complaints from the schools we use. Given this, we wish to point out that anyone who breaches any of the above rules will see his or her entire team EXCLUDED from the tournament IMMEDIATELY and possibly also lose its deposit (accommodation) of 50 Euro.

Mensa (Peter-Lenné - J)

All meals will be served in the cafeteria of the Peter-Lenné-Schule upon presentation of Guest Card A at the times indicated. The mensa is located in the Hartmannsweilerweg, on the same school ground as the tournament office and Coaches Pub. It is marked with the letter J on the tournament city map and can only be reached via the side entrance on Hartmannsweilerweg.

Playing in the tournament

Score- and timekeepers (official table)

Participating teams have to provide score- and timekeepers (official table) for the matches designated in the game schedule. These are usually games right before or right after that team's own game. The schedule for score- and timekeeper (official table) can also be seen online at schedule.bgz.net or in the tournament office. Each team is always required to nominate two people – one score- and one timekeeper.

Team lists

The names of each team member must be declared on the requisite match documentation 15 minutes before the game at the latest. Pre-prepared team lists can also be submitted to tournament officials in charge of the sports gym up to 15 minutes before the match. You can find blank forms in your check-in documents and they can be picked up in the tournament office or from tournament officials in each gym.

Games rules 5x5

Official FIBA rules apply, with the following exceptions:

- a) Playing time is 2 x 15 continuous minutes. Only the last three minutes of the second half are clocked and, during the last two minutes, the clock is also stopped after a basket is scored. The half-time break is two minutes, there is one time-out (one minute) per team per half.
- b) A player who fouls for a fourth time in a game cannot play any longer in that game. After a team gets eight fouls in one half, further fouls are penalized with two free throws.
- c) There is no guarantee for a warm-up period and balls will not be provided for it. If both teams have shirts of the same color, the team named first in the schedule will have to change.
- d) Except for finals in each age group, possessions are not timed to 24 seconds. If obvious violations of the 24-second rule occur, the referee may announce by calling "15" or "20" that he or she will interrupt the game after another 9 or 4 seconds.
- e) Substitutions are carried out without interrupting the game. The incoming player may only enter the court when and where the outgoing player has completely left it. Violations will result in a technical foul being given to the incoming player.
- f) Tied games in the group and placement rounds will be decided by "sudden death" in extra time. All tied games in the final rounds will be determined by which team is ahead after two minutes of extra time.
- g) If two or more teams end up equal on points, the rules of the German Basketball Association („DBB-Spielordnung“) will apply.
- h) Teams have to be on court and ready to play at the scheduled time. Teams that are late or do not turn up will lose the game. There is no grace period. The start of games will not be delayed.
- i) If a team ends a game early and on purpose, or if one of its players turns out to be too old for the team's age group, it will be excluded from the tournament.
- j) A player may only be used in one team per play group. In case of violation, loss of game and retention of the deposit.
- k) Protests must be declared directly to the referee of a game immediately after the reason for the protest has arisen. An explanation in writing must be submitted to the tournament office within one hour after the end of the game. The processing fee is 50 Euro, which will only be paid back if the protest is successful. Beyond this, FIBA rules about protest proceedings apply. The German version of the FIBA rulebook applies.
- l) For all u10-, u12-, u14-, and u16 games, man-to-man defense starting from midcourt is compulsory. Further, please see information below.
- m) U10 and u12 teams will play with size 5 balls. All other female teams and the boys u14 will play with size 6 balls. All other male teams will play with size 7 balls, in accordance with FIBA rules. If both teams in a match agree, these rules can be ignored.
- n) In each game, a maximum of 12 players may participate for each team.

Criteria for man-to-man defense

The following criteria are applicable:

- a) The player in possession of the ball must be guarded closely, at a distance of one arm's length at the most.
- b) The defending players on the ball side are not allowed to sag (deny defense).
- c) Only the player in possession of the ball may be double teamed. For U12, also this is not allowed.
- d) Defending players on the weak side are only allowed to sag up to the imaginary basket-basket line.

The referees enforce teams' adherence to these rules of defense:

- a) At the first violation of a team, a warning is given by the referees. The warning shall be given immediately upon recognition of the violation, provided that the offending team is not disadvantaged by the interruption. After the warning, the ball shall be given to the team that had the right of possession at the time of the warning.
- b) For each subsequent violation by a team, the offending team shall be awarded one point. Again, the team that had the right of possession at the time of the stoppage shall receive the ball.

Mini rules

Mini rules	U12
Number of players	5
3-Point-Shot	outside of zone
Free-throw line	1 meter forward, can't overstep
3-, 5-, 8-, 24-second-rules	do not apply, ref rules massive/unfair violations
Backcourt violation	normal rule
Ball check to/with ref	just for free-throws and fouls

Games rules - seniors mixed

The regular 5x5 game rules apply with the following extras:

- a) Each team has to have two female players on the court. A violation will be followed by a technical foul against the bench.
- b) Shots made by women always count one point more (also free-throws).
- c) Any block of a male player on a female players' shot will be ruled as goaltending and counts as a made basket.
- d) All teams will play with size 7 balls.
